Proposal:- Amendment of Rds for the post of Regional Director Grade A / Director in ESIC.

Comments:- Proposal scrutinized. Following observations are raised.

i) ESIC has proposed failing which clause to the previous clause of presumption. Justification with facts and figures for eligibility of candidates in grade (S), ~~and~~ with minimum to be persisted up to the year. Its pre-DAB / post-DAB combination of service is generally not prescribed.

ii) The redundancy period in the grade of Regional Director - Grade A / Joint Director may be taken as 3 years in place of 2 years as provided by DoBT in certain cases.

With the above clarification a copy of proposal may be submitted to UoSC at the earliest. The proposal brought forward is of interest.
