[Kind Attention: Shri K.G. Suresh, Joint Director]

Subject: Amendment of Recruitment Rules for the post of Regional Director Grade 'A'/
Director in Employees State Insurance Corporation.

Sir,

I am directed to refer to the subject mentioned above and to say that to further discuss the above proposal with regard to proposition of 'combination of service' for promotion, a meeting with the ESIC was held on 21.3.2018 at 12.00 hrs at UPSC under the chairmanship of Joint Secretary (RR), Smt. Ruchika Gupta. From the ESIC, Shri K.G. Suresh, Joint Director and Shri Manish Gupta, Deputy Director attended the meeting.

2. The representatives of the ESIC were requested to provide the justification for proposing 'combination of service' for the post of Regional Director Grade 'A'/ Director. JS (RR) informed that DoPT now as a principle does not prescribe the combination service and the need for combination of service is compensated by prescription of 'deputation'. Therefore, the Department was advised that since the prescription of 'combination of service' shall not be feasible, 'deputation' may be prescribed under failing which clause. The representatives of ESIC requested for some time for discussing the suggestion of UPSC with their competent authority and then inform of the decision taken which was agreed to and they were accordingly asked to submit the information by 2.4.2018.

3. The above record of discussion is sent to ESIC with the request to intimate their decision within the stipulated date in order to enable the Commission to further proceed on the proposal accordingly.

Yours faithfully,

(B.S. Heet)
Under Secretary (RR)
